Beautiful Parade. At the day and date, hour and minute, of this present writing, a magnificent procession is passing our office in the following order:

FIRST DIVISION. A mulatto boy with the white flag displayed from the rear of his "bloomers." A hog, a dog, and nigger wench with a baby in her

arms; dog biting hog's ear; hog squealing. MARSHALL ON STILTS. SECOND DIVISION. Two black drummers and a fifer The fifer looking cross-eyed, after the manner of fifers. A black fellow beating the big drum and puffing.

Two white boys with bones. Eight very little niggers with very crooked legs. MARSHALL ON STILTS. THIRD DIVISION. A big ugly nigger looking lazy. Three uglier niggers looking lazier.

Colored Ladies and Gentlemen in general. P. S.-Upon inquiry we find that this imposing display has some connection with the militia system of the State. The precise nature of that connection we have not as yet ascertained.

Daily Journal of Friday last. Killed by a Fall.

Coroner Conoley held an inquest Thursday, 27th ult., over the body of a seaman named Alamhzames, formerly of Rhode Island, who was killed the day lefore by a fall from the yard arm of the brig Sutton, now lying in this port. The jury returned a tions, we give in full, as follows: verdict in accordance with the above facts. We learn that the deceased had recently been shipwrecked off Cape Hatteras, and was but a short time out of the Hospital at Newbern.

Thanksgiving day was observed here pretty generally. Little or no business was done, and in that respect the day bore the appearance of a Sabbath. Some certain compounds, known as brandy toddies, whiskey punches and gin slings, were no doubt imbibed, and vertigo may have been somewhat more prevalent than usual, but we saw no drunk men during the whole day.

On the subject of our Federal relations I have but little to say. You are fully aware of our wrongs, and know that the Federal Government which was instituted for our protection and welfare, as well as that of the other States, has directed all its energies to the destruction of that institution upon which our very vitality depends. You know that we have been deprived of every inch of that territory which was won, in part, by our blood and treasure; that we have been robbed by a tyrannical and unjust government of the very graves of our gallant countrymen who sacrificed their lives that the "Star-spangled Banner" might float in triumph on the bloody fields over which it waved.
